

IIT Bombay, Spoken Tutorial (ST) program has partnered to work with Shri Mata Vaishno Devi University (SMVDU), towards empowering all students pursuing Higher Education – UG and above, by providing a range of IT Skills training, from General IT/ Computer Skills to Programming software to lucrative job oriented software training. With Certificates completely FREE of COST! The courses are useful for the students of Engg/Management/Diploma, etc. An initiative of National Mission on Education through Information and Communication Technology (ICT) and launched by the Ministry of Human Resources and Development, Government of India, this Spoken Tutorial Project is an advantageous commencement of the ‘Talk to a Teacher’ activity. The Spoken Tutorial aims to provide its spoken tutorials on FOSS available in a number of Indian languages to ease the learners experience. <http://spoken-tutorial.org/>.
