Notice

(Summer Training-2016)

Students of all the disciplines who are expected to undergo Summer Training may note following:

1. SMVDU allows students to undergo their Summer Training:
 - a. Through University.
 - b. At their own.
2. There is no difference between Summer Training done by a student through University or at their own.
3. Students opting for Summer Training through University will have to compulsorily join Training in the Organization arranged by the University.
4. University also writes to companies for allocation of seats for Summer Training of students. Depending upon availability & acceptance, companies revert back with number of seats allotted to the university which are further offered to the students based on their CGPA.
5. Experience shows that, out of number of industries, whom we approached for Summer Training, very few have considered our requests in the past.
6. Top Companies in all the disciplines have their set "**Summer Internship Selection process**", which they usually outline on their websites. Most commonly companies ask for online Resume / Application. Hence students must visit the website of their dream companies and apply accordingly to their procedure.
7. All research and academic organizations like BARC, IISc, IIT's, NIT's etc usually asks for application from individuals. Students desirous to join any research / academic organizations of high repute for training must visit their websites regularly to complete the procedures as mentioned.
8. Most of the companies prefer to allow Summer Interns based on their internal referrals instead of giving seats to the T&P office of the University / Institutions on account of Security & discipline reasons. In case a student can manage to have internal referrals then this may help him / her in better training.
9. **Students opting for Summer Training at their own must download their proformas from University Websites www.smvdu.net.in & www.smvdu.ac.in and get the duly filled proforma signed by the T&P officer in B-304, B Block.**
