WH-Result Withheld on account of Non-submission of Semester end feedback

At the completion of the first two semesters attended by a student (excluding Semester Withdrawal), the student is required to earn 60% of the total credits as per Course structure, failing which his/her admission in the program will stand terminated and his/her name struck from the roll of the program. However, if the same student has earned 80% of the Credits (as per Course structure) in either of the first two semesters attended by him/her then his/her admission will not be terminated and he/she would be allowed to register for the 3rd Semester.
