***RW- Result Withheld due to non submission of Faculty Feedback**

At the completion of the first two semesters attended by a student (excluding Semester Withdrawal), the student is required to earn 60% of the total credits as per Course structure, failing which his/her admission in the program will stand terminated and his/her name struck from the roll of the program. However, if the same student has earned 80% of the Credits (as per Course structure) in either of the first two semesters attended by him/her then his/her admission will not be terminated and he/she would be allowed to register for the 3rd Semester.

“All efforts have been made to publish this result after checking the entries properly. However, the result can stand revised in case some discrepancy is observed. Please contact Examination Wing for more details on backlog.”
