

Dear Library User

It is for the information of all Schools that University has access to the collection of Resources from various reputed publishers. The resources available contains a large selection of multidisciplinary titles representing a broad range of academic subject matter. This breadth of information available through these packages ensures that user will have access to information relevant to their research needs.

To access the collection, click on the below direct URL on our SMVD University registered IPs:

<u>S.no.</u>	<u>Logo</u>	<u>e-resource</u>	<u>URL link</u>
1		ProQuest	http://search.proquest.com/business/34591
2		Elsevier Science Direct (Engineering & computer science)	www.sciencedirect.com
