

XI. CLIMATE

Temperature in the region fluctuates between 15° to 24° Celsius during the period of the Program.

XII. ABOUT THE UNIVERSITY

Shri Mata Vaishno Devi University has been established, under J&K State Legislature Act, 1999, as an autonomous, highly technical & fully residential University. Approved by UGC under Section 2(f) & Section 12(B) of UGC Act of 1956, SMVDU since inception has been catering to the requirements of the corporate world not only in J&K state but across the country. Located in the foothills of Shri Mata Vaishno Devi Shrine, the SMVD University has been offering its service in terms of generating employable candidates from J&K as well as outside J&K. The University has adopted the academic, examination and research pattern akin to Indian Institute of Technology. The University has four Faculty of Studies and several Departments/Schools, which promote Under-graduate and Post-graduate Programs, besides Ph.D. Programs.

As a part of the University, School of Business, has established itself as one of India's leading centers of excellence in management education and research. The School of Business is offering Programs including Master of Business Administration & Ph.D.

DST-NIMAT Project Sponsored

NATIONAL ENTREPRENEURSHIP DEVELOPMENT PROGRAM

(With Special Focus on Solar Energy)

27th Nov. - 23rd Dec., 2017

Entrepreneurship Development Cell
Shri Mata Vaishno Devi University
Kakryal, Katra

I. PROLOGUE

This Entrepreneurship Development Program (EDP) is designed to train and develop Budding/Practicing entrepreneurs, NGO based trainers and Science & Technology final year degree students in the area of entrepreneurship development to motivate youth to take up entrepreneurship as a career and make them aware about entrepreneurial competencies, so that they can initiate their ventures/start-ups in the near future. The Program on 'Entrepreneurship Development' is likely to provide essential tools and techniques through diverse training methods. This self-generated new knowledge can enhance entrepreneurial opportunities potential and innovation practices in this part of the world. The five week long program will enlighten the participants over various issues relating to enterprises establishment, new ventures including behavioural aspects of entrepreneurs, methodology of launching of enterprises, intricacies of management of financial, marketing, human resources, production, etc. of enterprises, technology & rationale of usage of solar energy, and its varied applications.

II. GOALS OF THE PROGRAM IS TO:

- ✓ Create an awareness of the need and importance of entrepreneurship.
- ✓ Create interest for taking up self-employment.
- ✓ Facilitate identification of business opportunities
- ✓ Remove dependency syndrome and knowing their potential.
- ✓ Elicit importance of goal setting, risk taking behavior, systematic planning, efficiency orientation and concern for quality.
- ✓ Understand the various aspects of business laws, inventory management, growth & diversification of enterprises
- ✓ Equip the skills of preparing business plan
- ✓ Understand the complete aspects of marketing and customer management
- ✓ Understand techniques of preparation of feasible & viable projects.
- ✓ Bring awareness towards the solar energy related tools/ mechanics /technology functioning with Hands-on-training sessions
- ✓ Awareness for national and international solar energy initiatives
