About the Conference

The conference will be held during 13-14 December 2019 at Shri Mata Vaishno Devi University, Katra. Since Mathematics is Structural background of all Engineering and Sciences subjects and plays vital role in various disciplines. The conference is intended to make the participants familiar with latest developments and recent trends of Mathematical research. Experts from the institute of national importance are likely to deliberate on the topics related to Mathematical and Physical Sciences. The researchers from diverse Mathematical backgrounds are expected to present their research and experience.
