Three Days Training Program
On the Topic

‘Disaster Management’

(Exclusively For Officers of Indian Forests Service)

at

SCHOOL OF BUSINESS

SHRI MATA VAISHNO DEVI UNIVERSITY

DATE: 22nd - 24th February, 2023

Three days training Program on “Disaster Management” for IFS officers is going to be organized at School of Business, Shri Mata Vaishno Devi University during 22nd to 24th February, 2023 with financial support of Ministry of Environment, Forests and Climate Change, Government of India.

The one of the aims of disaster management is to reduce the impacts of disaster with better management. The successful management of disaster requires proper planning, guided response, and well-coordinated efforts across the disaster management life cycle. Accordingly, the management development program aims to provide practical expertise and examples of applied knowledge which will equip the officers with all relevant skills and tools needed in order to effectively respond to both natural and man-made disasters and resulting complex emergencies. The course utilizes existing strategies and tools, practical exercises, case studies, and interactive multicultural discussion to explore the key issues faced when handling disaster situations. This three days Training program is planned exclusively for those IFS officers whose names appear in the list of trainees provided by Sponsoring Ministry of GoI for this event.
