

Promotion of Indian Languages in Technical Education as per National Education Policy

Based on the curriculum for various courses at Degree and Diploma level in the fields of Engineering & Technology AICTE had published a list of suggested books by Indian authors which is available at the following click

<https://www.aicte-india.org/sites/default/files/list-suggested-books-indian-authors-publishers.pdf>

Further AICTE has also launched the prescribed books in various regional languages which are available on AICTE website

<http://ekumbh.aictee-india.org>.

All the users are suggested to explore and ensure effective usage of these books for the benefit of Students, Scholars and other academic fraternity.
