

Report of Stakeholders Feedback

SMVDU is committed to impart quality education and in order to continually improved contents of curriculum, processes and facilities on campus; periodic interactions and feedback is obtained from all stakeholders. Results of stakeholders' feedback serve as input for continuous improvement in curriculum and academic processes. The University regularly collects feedback on its Curriculum and Syllabus from various stakeholders including Students, Parents, Faculty Members, Training Concerns, Employers and Alumni.

Feedback from employers / companies is collected during Training & Placement Activities. Alumni feedback is taken yearly, whereas student feedback is taken online twice a year. Course wise student feedback is collected on teaching and learning and is communicated to the respective faculty members in a confidential manner so that faculty members can assess themselves for improvements and contribute better to teaching learning.
