**Agenda Item No. 1:- Review of existing course curriculum of M. Tech. (Energy Systems).**

The existing curriculum of M.Tech Energy Systems was reviewed by members of board of studies. The members recommend that the curriculum the continued in the present form.

**Agenda Item No. 2:- Introduction of an elective-IV course on Electric Vehicles with course code as EME 7028. The course is being proposed by Dr. Sanjeev Anand, Assistant Professor. The detailed course structure is placed at Annexure-I.**

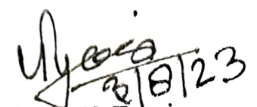

Board of Studies members had detailed discussion regarding the course contents for the School elective course on Electric Vehicles with course code as EME 7028. The members approved and recommended the Electric Vehicles with course code as EME 7028 with credits as 3-0-0 with inclusion of contents related to charging infrastructure.

**Agenda Item No. 3:- Correction in course code for course Heating, Ventilating and Air-Conditioning from EME 7035 to EME 7036 as EME 7035 was already assigned to course Renewable Energy technologies and Applications.**

Board of Studies members approved the change as proposed with change in title of the course as Heating Ventilation and Air-Conditioning with course code as EME 7036.

Member experts during discussion suggested inclusion of Social Science Citation Index (SSCI) publications from Ph.D. scholars for award of Ph.D. degree at School of Energy Management, SMVD University.

Meeting ended with vote of thanks from Head of Department.

  
Dr. Vineet V. Tyagi  
Chairman
