ABOUT SMVDU

Shri Mata Vaishno Devi University (SMVDU) is a prestigious institution located near Katra, UT of Jammu and Kashmir, India. Established in 1999 and inaugurated by Dr. A.P.J. Abdul Kalam, the university is situated in a serene environment near the Trikuta Hills and offers a unique blend of academic pursuits and spiritual ambiance. The institution provides undergraduate, postgraduate, and doctoral programs in diverse disciplines such as engineering, sciences, management, architecture, humanities, and social sciences. By engaging in projects of national and international significance, SMVDU has emerged as a notable educational hub in the region, fostering innovation and professional growth among students, while also promoting the cultural and ethical values inspired by the ethos of the Mata Vaishno Devi Shrine.

ABOUT THE CONFERENCE

The Vasudha Annual Conference at SMVDU brings together scholars, researchers, and professionals to discuss sustainability across diverse fields. Focused on "Multidisciplinary Research for Sustainable Future," it invites contributions for its hybrid ICMRSF-2025 event on February 28-March 1, 2025. The conference aims to foster collaboration and exchange of ideas on pressing global challenges, such as environmental degradation, economic inequalities, and social justice, emphasizing the need for integrated sustainable solutions. Participants will have the opportunity to share innovative research, engage in discussions, and contribute to shaping a more sustainable future.
