About the Conference

The Workshop cum conference will be held during 3rd-4th, March 2025 at School of Mathematics, Shri Mata Vaishno Devi University, Katra in offline mode. Mathematics is the backbone of Engineering, Science and Technology. In particular, the branches of Mathematics like Algebra, Analysis, and Topology provide the theoretical/ fundamental basis for mathematical applications. The conference is intended to make the participants familiar with the latest developments and recent trends in Algebra, Analysis, and Topology. Experts from the institute of national importance are likely to deliberate on the topics related to Algebra, Analysis, Topology, and their related areas. The conference will lead to fruitful discussions and future research collaborations.

About the University

Shri Mata Vaishno Devi University (SMVDU) has been established by an Act of J&K State Legislature as an autonomous, highly technical, and fully residential University.
