Shri Mata Vaishno Devi University (SMVDU) has been a center of academic excellence, fostering innovation, research, and holistic education, and now stands at a pivotal juncture in adapting to global educational trends while continuing its mission to promote excellence in education, research, and innovation. To further enhance the university's growth, it is imperative to implement a structured Institutional Development Program (IDP) aimed at improving infrastructure, research output, industry collaboration, faculty, student development, and administrative efficiency. The Institutional Development Plan (IDP) to be prepared should align with the strategic vision of the institution to enhance academic rigor, research output, and industry relevance.

The workshop on Institutional Development Plan (IDP) will bring together higher education institutions and faculty members to discuss strategies for institutional growth and development. The platform will serve as a valuable resource for institutions as they develop and implement their IDP.
