Point-wise details of the issues raised and discussed:

1. All the students raised issues over the problems faced by them when neither Lab. Assistants nor a few faculty members painstakingly demonstrate the experiments during their Lab. days. They told that either they referred to the Lab manuals or You-Tube videos for performing the experiments at their own for a couple of past semesters.

The students were told that this approach might have been adopted by their instructors to inculcate the habit of self-exploration and learning. However, the matter was communicated to the Head, SoP for further action.

2. All the students complained that the food quality and hygiene is usually not maintained at their respective messes.

The students were asked to resolve this matter at their respective hostel levels. However, the matter was communicated to the Head, SoP.

3. The students also complained that hygiene is also not maintained in the school itself particularly at the Pantry where the Water cooler is installed. Debris of food and swamp is normally seen all around. Further, they expressed their unsurity over their working of candle of Water cooler.

The matter was communicated to the Head, SoP for necessary action by the concerned authorities.
