As there are **300-400 girls students** the breakfast is not served in time and usually they get late to attend their classes as there is always a long queue during the breakfast time. They suggested that there should be more than one counter for breakfast/lunch/dinner.
- c) Further, students also stated that usually the quality of Dinner served in the above Hostel is not of good quality.

*Mentor told the students that the above issues shall be taken-up with the concerned officials.*
