Following three members, join the meeting via online mode. They informed the Chairman on telephone / Email in advance.

Prof. Munish Kumar Chandel, Professor, IIT Bombay, Mumbai

Member Expert

Prof. Rizwan Ahmad Khan, Professor, Aligarh Muslim University

Member Expert

Dr. Kuntal Vakil, Deputy Commander Works, Pune

Member Expert

Following member, expressed their inability to attend the online meeting because of unforeseen / unexpected assignment at their head quarter.

Prof. Ankush Anand, Professor, SoME, SMVDU

Member

The leave of the absence was granted to them by the house.

The agenda points were discussed at length and resolved by BoS as follows:

Agenda Point 1 - The syllabus of B. Tech. Civil Engineering as per NEP 2020 for first to eighth semester including the syllabus of B.Tech. Honors (Environmental Engineering and Structural Engineering) and Minor Specialization (in Civil Engineering)

Discussion – During BoS meeting, the detailed exploration of the B. Tech. Civil Engineering curriculum in accordance with the directives laid out in the National Education Policy (NEP) 2020. This involved a comprehensive analysis of both core and elective courses offered within the program. One notable recommendation put forth by the expert was to enhance the importance placed on core courses within the curriculum. This suggestion stemmed from a recognition of the fundamental role that core subjects play in providing students with a strong foundational understanding of civil engineering principles and practices. The detailed discussion revolved around the syllabus of B.Tech. Civil Engineering in accordance with the NEP 2020, specifically focusing on the first to eighth semesters. The expert Prof. Rizwan Ahmad Khan suggested to maintain minimum eligibility criteria for award of B.Tech. Honors (Environmental Engineering and Structural Engineering) degree.

Decision – The BoS approved course structure for B.Tech. Civil Engineering as per NEP 2020 for year 2024 -25 onwards as placed as Annexure A.

Agenda Point 2 – The Course Offerings and Syllabi of SEC, VAC, and AEC Courses in alignment with the NEP 2020 by the School of Civil Engineering

Discussion – The syllabi for the various Value-Added (VAC), Skill Enhancement (SEC) and Ability Enhancement (AEC) course offered by School of Civil Engineering, SMVDU were thoroughly reviewed and discussed. The Examination scheme for VAC, SEC and AEC were discussed

Decision – The BoS approved the syllabi and examination/evaluation scheme for all VAC, SEC and AEC course offered by SoCE placed in Annexure B

Agenda Point 3 - The approval of examination/evaluation Scheme for all subjects of B.Tech. (Civil Engineering), B.Tech. Honors (Environmental Engineering and Structural Engineering) and Minor Specialization (in Civil Engineering)

Discussion - A detailed discussion on the new examination/evaluation scheme was conducted and directions of Academic Affairs Section was also discussed in the meeting for all subjects of B.Tech. (Civil Engineering), B.Tech. Honors (Environmental Engineering and Structural Engineering) and Minor Specialization (in Civil Engineering)

Decision – The BoS approved the examination/evaluation scheme for all B.Tech. (Civil Engineering), B.Tech. Honors (Environmental Engineering and Structural Engineering) and Minor Specialization (in Civil Engineering) as placed in Annexure A

Agenda Point 4 – The approval of List of External Examiners for Major Project and Internship/Industrial Training for final year of B.Tech. Civil Engineering

Decision – The BoS approved the List of External Examiners for Major Project and Internship/Industrial Training for final year of B.Tech. Civil Engineering as per Annexure C
